Bill and BOD Members,

OK, I'll wait until the middle of next week. Don't you think it would be a good idea to include me in the discussions since this committee was established by the BOD? Also, please understand that comments from BOD members, submitted to the website, will be posted along with positive and negative comments from other owners. This isn't a one way street.

Please also consider using the office computer to avoid postponing the discussion. As President, that resource should be available to you as needed.

One last thing - it's now been over 4 weeks since the incident that initiated this discussion. Don't you think it's time for the BOD to contact the owner of unit 504 and let him know that his daughter's dog is not welcome in the building under any circumstances? If that's already been done, I'd like to see a copy of the letter. I'm kind of an interested party.

Bill, this isn't going away and it's not going to be watered down too much. I'm confused by the BOD's apparent lack of willingness to attack this problem head on. What's the hold up?

JOHN,

I TOO WOULD LIKE TO SEE THIS ISSUE LAID TO REST AS SOON AS POSSIBLE. I THINK ONE WAY TO ACHIEVE THAT IS TO MAKE SURE THAT CENTURY 21 IS TELLING POTENTIAL RENTERS THAT THEY CAN'T TAKE THEIR PETS TO 9400. I DON'T THINK IT IS STRESSED ENOUGH. I WOULD BE HAPPY TO HAVE SIT DOWN WITH BEA IN HER OFFICE TO DISCUSS THIS MATTER WITH THE REST OF THE BOARD'S APPROVAL. AS I SAID AT THE MEETING, OWNERS HAVE TO DISPLAY GOOD JUDGEMENT WHEN THEY ARE WALKING THEIR DOGS AND ARE CONFRONTED WITH ANOTHER PERSON AND THEIR DOG . CHOOSE ANOTHER PATH OR TAKE ANOTHER ELEVATOR WHEN POSSIBLE. I DO IT ALL THE TIME.

THANKS,  
JOE MCCARTHY
