Hello, Judi.

I've attached a copy of the letter that Nancy included with the September 1 quarterly billing. Perhaps you missed it

I suppose the Board of Directors could decide to drop the whole issue. Bil Delmar warned me at the last BOD meeting that the President can establish committees and dismiss committees at will. It doesn't seem to me that that would be a proper response. The Board of Directors is responsible for enforcing the by-laws. They can attempt to change the by-laws by vote of a super-majority of the owners - but they can't ignore the by-laws - nor should the owners.
